

Cutting

We appreciate how important your hair is and how it effects the way you feel, therefore, we consult with you every time, gain feedback, advise & suggest, then brush thru your hair, cleanse, condition, scalp massage and demonstrate the latest techniques in cutting then finishing your style. Sharing trade tips along the way.

Colour Zone

Each colour is an expression of what you are or want to be.

Global Colouring

Glossing – lasts 5 to 8 washes

Colour Gloss protects and conditions your hair, refreshes your colour and adds brilliant gloss. It blends up to 20% grey hair.

your investment from \$25.00
your time 15mins

Botanic - plant based, pure natural organic colour (fades and grows out)

The plant-based, pure natural organic colour that intensifies hair's natural tone and delivers healthy silky shine. 6 shades inspired by nature – nut, havana, rosewood and more. 40minute processing

your investment from \$30.00
your time 60mins

Personality - semi colour

This gentle and caring coloration guarantees you the brilliant, deep, intensive colour you dreamed of even on up to 50% grey hair.

your investment from \$35.00
your time 40mins

Royal - permanent colour

The only way to achieve a committed colour change. The most natural way to cover grey hair or boost your colour into the high fashion zone.

First time colouring & thicker longer hair may require extra product

Balancing out Ends

your investment from \$20.00

Slices of Colour – provides a variation of tone to enhance your style maximum of 15packets

from \$47.95 \$43.95 \$39.95 45mins

Custom Colouring – to enhance your face shape and features. After your consultation a colour technique/s may be recommended and a quote for this custom colour will be given before you proceed.

Paint the Cut – latest techniques and colours to enhance your haircut, texture, focal points and design. A quote for the technique & colour/s will be given before you proceed.

The Colour Clinic

Consultation and analysis of hair determining the right course of action to achieve the look you wish. **Price on consultation**

Colour Problems – colour fading in patches, reds turning brown, bright roots, green ends, banding from lighteners, mineral or build up preventing colour penetrating

From Dark to Light – lightening out dark colours takes as long as the hair needs takes

From Light to Dark – colour equalising, recolouring the hair and sealing in the colour

Slight Colour Removal – removing one or two shade to lighten up your colour
